A Collection of E-Books, Poems & Essays . How much, we may ask, is a man really worth? He comes into the physical world, travels along the highway of life for a few years, and then lays aside the working tools of life and passes through the transition that--for want of a better term--men call death.

The Lucy poems are a series of five poems composed by the English Romantic poet William Wordsworth (1770–1850) between 1798 and 1801. All but one were first published during 1800 in the second edition of *Lyrical Ballads*, a collaboration between Wordsworth and Samuel Taylor Coleridge that was both Wordsworth's first major publication and a milestone in the early English Romantic movement.

The Parnassus (1511) by Raphael: famous poets recite alongside the nine Muses atop Mount Parnassus. Poetry (the term derives from a variant of the Greek term, poiesis, "making") is a form of literature that uses aesthetic and rhythmic qualities of language —such as phonaesthetics, sound symbolism, and metre —to evoke meanings in addition to, or in place of, the prosaic ostensible meaning ...
