All of the games in the Commander Keen series are side-scrolling platform video games: the majority of the game features the player-controlled Commander Keen viewed from the side while moving on a two-dimensional plane. The player can move left and right and can jump; in every episode besides Keen Dreams they can also use a pogo stick to bounce continuously and jump higher than they can ...

Babylon 5 (1993–1998), created by J. Michael Straczynski, is a science fiction television epic about Babylon 5, an Earth-governed space station built to promote harmony between interstellar civilizations. It is unusual in its focus on a story arc which dominates the events through its five-year run.
